Hello. I'm a student living in Japan.

I have been leaning Spanish for a year and English for, well, about ten years.

I also hope to improve my English. I am interested in English, especially spoken in the UK and Ireland. The UK has been the country I have 'adored' for a long time, especially for its music.

I will be glad to help you learn Japanese, if you tell me how I can make it.

My hobbies are films, music, and books. I got interested in football (soccer) recently.

Hope to hear from you. Talk to you later ^^
