Who is the silly gaijin editor making sexual innuendos with headlines and captions at the Mainichi news website? Check out the picture in the upper right. If it has changed, see the capture here:
http://whereyougoing.googlepages.com/Mainichi-News_20060714.png

There have been others in the past, but usually the funny headlines only appear in the WaiWai section.

He's probably slipping them by his unsuspecting Japanese boss. Bravo!
Keep up the good work.

Tod
