I think it's a good example. Often dictionary and text examples are dry and formal.

That's one problem WWWJDIC doesn't suffer much from.

Here's one of the ones I like from the latest crop ...

"We've got taller so they don't fit." "Right, it's certainly not that we've got fat!" "The useful word 'matured' is our trump card."

I must admit that it doesn't serve that vital a purpose –  
I just liked the last line.
