its not polynesian micronesian or anythingelsenian thats for sure.
google doesnt cope well with diacritisc and the name – misspelt anyone?? –
has those curly ones looking like Ss toppled over. the tribe lives in the
vale do javari so thats anohter thing you can look up. its way out of
date now but if you're interested a good place to start is
this collection

châtelain, j. et leduc-mérot, a.f. (éds.)
etudes sur les compétences psycholinguistiques et physiologiques des
peuples indigènes de l'amerique du sud (1981)

thats taken from my notes so you can rely on that – i need notes becaues
my memory is not what it was – the docs say the head trauma
i suffered has damaged my hippocampus and i have an ltp deficit in addition
to the dyslexia i was born with. but im not complaining. i do fine with
my assistnat to help me type out the messages. shes on vacation for the
next two weeks so my apologies if my writing is not 100% like the
