

Writing French without accented characters?

Source: <http://sci.tech--archive.net/Archive/sci.lang/2005-10/msg01074.html>

Is there a system/convention to write French when there are no accented characters available? In German, for example, it's possible: ü is replaced by ue, ö by oe, ä by ae, eszet by ss. But of course French uses a lot more accented characters.

Regards,
Pascal Damian
