Warning:

If you are amazed and think you hear the word 'sex' on Portugal's classical music station Antena 2, you heard wrong. It's actually "segue-se", as in "Segue-se a música de Haendel", "we will now be listening to some music by Haendel".

]There is a word that does sound like sex-Sechs, the number six in german.

Not to mention "sex" 'six' in Swedish, identical to "sex" 'sex'.
