What would a "violation of a sound law" be?

We had it all in that other thread. Why must I repeat everything here in this thread? A law can be violated by definitionem.

What is "definitionem"?

A social law can be violated by people,
a natural law can be violated by an invalid theory, and

Please learn the meaning of "violate."

a sound law can be violated by an incorrect reconstruction.

Please learn the meaning of "sound law."
