aaa, i have to go and take a dump now.

wait! i can't. i have no paper.

ok, i will just sit here and wait for you to produce this awesome sexy phrasebook of yours, and use one of the pages, ok?

unless it's hardcover.

mine's soft cover. but at 6 pounds, that's some expensive stuff u got there!

i go more for comfort in my old age, so it's 2-ply or its turkish style with a bidet.

nothing like a grammatical paper cut to the a-hole is there?

no more camping for my leithidi. nope. it's all luxury, all the time.

yup. nothing like google groups to replace a LIVING LANGUAGE COMMUNITY.

Look, son, I am part of the living language community, I have been working for the language for more than ten years, I have thrown away an academic career for the sake of promoting the Irish language, and I am not going to take this shit from you.

I don't want to see you messing up with Irish, and I think I have more say than you have about it, because chances are that I have been involved with it for a longer time than you. I am not taking this shit from you, and being part of the living language community, I don't welcome you there. Agus anois, gread leat agus féach chuige nach gcluinfidh aon duine againn oiread is trácht ort choíche aríst.

A leithéid de bhómán gan mhaith.
