stuff u got  
there!

i go more for comfort in my old age, so it's 2-ply or its  
turkish  
style with a bidet.

Re: naire ort

nothing like a grammatical paper cut to the a-hole is there?

no more camping for my leithidi. nope. it's all luxury, all the time.

yup. nothing like google groups to replace a LIVING LANGUAGE COMMUNITY.

Look, son, I am part of the living language community, I have been working for the language for more than ten years, I have thrown away an academic career for the sake of promoting the Irish language, and I am not going to take this shit from you.

I don't want to see you messing up with Irish, and I think I have more say than you have about it, because chances are that I have been involved with it for a longer time than you. I am not taking this shit from you, and being part of the living language community, I don't welcome you there. Agus anois, gread leat agus féach chuige nach gcluinfidh aon duine againn oiread is trácht ort choíche aríst.

A leithéid de bhómán gan mhaith.

I, me, my...

it's all about YOU, isn't it?

but strangely you have no name.

you don't say who you work for or what your name is.

the odd sacs-bhearla syntax, different spellings aris/arist make me think you aren't a fluent speaker, but someone who can only write the language.

Re: naire ort

Ha! Ní chreidim féin go bhfuil cur amach ar bith agat ar chomhréir na teanga. D'fhoghlaim mé mo chuid Gaeilge ag déanamh staidéir ar scríbhinní mhuintir na Gaeltachta, agus is iomaí agallamh a cuireadh orm ar Raidió na Gaeltachta. Anuraidh, mar shampla, nuair a chuaigh mé go Tír Chonaill, cha rabh súil agam dáiríribh ach le cupla lá saoire i dtimpeallacht Gaeilge a theastaigh uaim riamh a fheiceáil, ach ansin, d'fhuadaigh Raidió na Gaeltachta mé le hagallamh a chur orm. :)

i have seen this before, this guys who are anal about the fadas and the grammar. really they are freaks. monsters.

Agus is minic a chonaic mise do leithéidí cheana: daoíní a deir – as Béarla! – nach bhfuil aon duine eile ag déanamh a dhath le cuidiú leis an teangaidh.

you claim this and that. but really you are nobody.

no name. na balls. no proof. nothing. you don't say what exactly you have done, and yet brag about it.

Is mise Panu Petteri Höglund ón Fhionlainn. Bhí mé i mo cheannródaí ag cur Gaeilge ar an Eadarlín, nuair nach rabh ach criomán beag de ann. D'aistigh mé gearrscéalta Fionlainnise go Gaeilge le cead na scríbhneoirí, agus chuir mé ar fáil ar an Eadarlín iad:

<http://www.geocities.com/Athens/8308/salbertkivinen1.html>

<http://www.geocities.com/faolchu.geo/tobar-na-heigse1.html>

<http://www.geocities.com/faolchu.geo/jaaskelainen-tul.html>

Chan fhuil anseo ach cupla deismireacht, ach tá súil agam go sásóchaidh siad do Mhórgacht Uasal.
