Legal statement regarding Panu Petteri Höglund,
part 1, my work in sci.lang

Franz, your spam does not become any less illegal by your calling it "legal statement". Please leave this newsgroup. My legal statement is, that this newsgroup is meant precisely for what you call "idle chatter", and that it is "Zweckentfremdung" to use it as a publishing channel for your Magdalenian rantings.

You already have a web page. Why don't you set up a blog and a discussion forum for your own acolytes there? You have no business coming here and telling us that it is "idle chatter" to use this newsgroup what it is used for.
