|
| you may be right. but you're clearly new here – hang out on the
| internet for a while and you'll learn that there's simply no
| such thing as 'so stupid nobody could believe it'

Which reminds me of:

The difference between genius and stupidity is that genius has its
limits. [Einstein]

But being even-handed, I have to provide Peter with:
Great Spirits have always encountered violent opposition from
mediocre minds. [Einstein]
