Why is everyone picking on Immortalist?

Once when I was learning programming, there was this bitch of a girl that kept picking on me. I kept my mouth shut and put up with it for a long, long time but one day, it got too much and I got up out of my chair and said in no uncertain terms

"Stop PICKING on me Kathy!"

And just at that moment, roaring across the sky came a whole FLEET of RAF Fighter Pilot Jets, screaming and roaring across the sky.....

the earth shook, the ground trembled and Kathy went white as a sheet.

I used it to my best advantage and GLARED at her (complete with sound and earth tremor effects)

Mind you, she never picked on me again!
