===== CALL FOR PAPERS (DEADLINE IS APPROACHING) =====

The Fourth International Conference on Quality and Reliability
9 – 11 August, 2005
Beijing, P.R. China
www.Quality-Reliability.cn
ICQR 2005 ~ Quality and Reliability in theory and practice

CALL FOR PAPERS

The 4th International Conference on Quality and Reliability welcomes all papers related to the broad theme of quality and reliability, which includes topics such as six Sigma, service quality, design for quality and reliability, Reliability modelling, Maintenance optimization, and Customer Relationship Management. The conference ICQR2005 is focused on the problems of Quality and Reliability in theory and practice, to provide a forum for academics and practitioners from around the world to share the results of recent research efforts, visions and experiences in the field of quality and reliability.

ICQR 2005 invites papers on but not limited to the following topics:

Best Practices in Achieving Performance Excellence
Knowledge Management
Six Sigma, Design For Six Sigma
Customer Relationship Management
Service Quality
Quality in Education, Health Care, and the Public Sector
Design for Quality and Reliability
Quality Engineering
Calibration, Inspection, Testing and Measurement
Quality Management Systems and Sector Specific Standards
Environmental Systems, Occupational Safety & Health Systems
Integrated Management Systems
Product Safety, Product Liability, Risk Management & Assessment

Physical Asset Management: RCM, TPM, CBM.
Maintenance Decision Analysis
Applications for FMECA , FTA and FRACAS
Maintenance modeling and maintenance optimization
Methods in reliability analysis
Analysis for reliability data
Software reliability
Case study on Quality & Reliability
Reliability modeling
Network Reliability
Warranty analysis
Human reliability
Analysis for testability
Analysis for life cycle cost of products
Reliability optimization
Fault diagnosis
Logistic support analysis

Authors are requested to submit an abstract to the ICQR2005 conference secretariat by E-mail. The abstract should be about 150–250 words, including title of the paper, keywords, name and affiliation of the authors. The preferred version is pdf format. Each submission will be reviewed for technical merit and content.

Registration fee US\$400 (US\$500 after June 1, 2005)
Fee for student US\$200 (excluding banquet)
Banquet ticket US\$100

Deadline for submission of abstracts: April 1, 2005
Notifications of acceptance: April 15, 2005
Final Paper: May 15, 2005
Payment of registration fees: June 1, 2005
ICQR2005 conference: August 9–11, 2005

For more information, please visit the website or contact the Conference Secretariat.
