CFP: International MultiConference of Engineers and Computer Scientists IMECS 2008

From: International Association of Engineers – IAENG

19–21 March, 2008, Hong Kong
<http://www.iaeng.org/IMECS2008>

The IMECS 2008 is organized by the International Association of Engineers (IAENG), a non-profit international association for the engineers and the computer scientists. The conference has the focus on the frontier topics in the theoretical and applied engineering and computer science subjects. The IMECS conferences serve as good platforms for our members and the entire engineering community to meet with each other and to exchange ideas. Our IMECS committees have been formed with over two hundred and sixty committees members who are mainly research center heads, faculty deans, department heads, professors, and research scientists from over 30 countries. The last IMECS 2007 has attracted more than one thousand participants from over 50 countries.

All submitted papers will be under peer review and accepted papers will be published in the conference proceeding (ISBN: 978-988-98671-8-8). The abstracts will be indexed and available at major academic databases. The accepted papers will also be considered for publication in the special issues of the journal Engineering Letters, in IAENG journals and in edited books. Revised and expanded version of the selected papers may also be included as book chapters in the standalone edited books under the framework of cooperation between IAENG and Springer.

The IMECS 2008 is composed of the following 13 conferences (all will be held at the same location and date):

ICAIA'08

The 2008 IAENG International Conference on Artificial Intelligence and Applications

CFP: International MultiConference of Engineers and Computer Scientists IMECS 2008

ICB'08

The 2008 IAENG International Conference on Bioinformatics

ICCA'08

The 2008 IAENG International Conference on Control and Automation

ICCS'08

The 2008 IAENG International Conference on Computer Science

ICCSA'08

The 2008 IAENG International Conference on Communication Systems and Applications

ICDMA'08

The 2008 IAENG International Conference on Data Mining and Applications

ICEE'08

The 2008 IAENG International Conference on Electrical Engineering

ICIE'08

The 2008 IAENG International Conference on Imaging Engineering

ICINDE'08

The 2008 IAENG International Conference on Industrial Engineering

ICICWS'08

The 2008 IAENG International Conference on Internet Computing and Web Services

ICOR'08

The 2008 IAENG International Conference on Operations Research

ICSC'08

The 2008 IAENG International Conference on Scientific Computing

ICSE'08

The 2008 IAENG International Conference on Software Engineering

=====
Submission:

IMECS 2008 is now accepting manuscript submissions. Prospective authors are invited to submit their draft paper in full paper (any appropriate style) to imecs{at}iaeng.org by 12 December, 2007. The submitted file can be in MS Word format, PS format, or PDF formats.

The first page of the draft paper should include:

- (1) Title of the paper;
- (2) Name, affiliation and e-mail address for each author;

(3) A maximum of 5 keywords of the paper.

Also, the name of the conference that the paper is being submitted to should be stated in the email.

It is our target that the reviewing process and the result notification for each submitted manuscript can be completed within one month from its submission. The reviewing process is to ensure the quality of the accepted papers in the WCE congress. The conferences have enjoyed high reputation among many research colleagues (for example, see the <http://cs.conference-ranking.net/> or <http://www.conference-ranking.com/> or <http://www.conference-ranking.org/cs.html>).

Important Dates:

Draft Manuscript submission deadline: 12 December, 2007
Camera-Ready papers & Pre-registration due: 31 December, 2007
IMECS 2008: 19-21 March, 2008

IMECS MultiConference Co-chairs

Prof. Craig Douglas (honorary co-chair)
Professor of Computer Science & Professor of Mechanical Engineering,
University of Kentucky
Senior Research Scientist (corresponding to nonteaching full
professor)
Computer Science Department, Yale University, USA

Prof. Ping-kong Alexander Wai (honorary co-chair)
Chair Professor of Optical Communications and Dean of Faculty of
Engineering
Programme Chairman, Engineering Doctorate Programme
Hong Kong Polytechnic University, Hong Kong

Prof. Oscar Castillo
Professor and Research Director of Computer Science
Tijuana Institute of Technology, Mexico
Former Adjunct Professor of San Diego State University, USA
President of HAFSA (Hispanic American Fuzzy Systems Association)
Vice-Chair of the Mexican Chapter of the Computational Intelligence
Society (IEEE)

Prof. David Dagan Feng, Ph.D, FACS, FATSE, FHKIE, FIEE, FIEEE
Professor and Head, School of Information Technologies
Associate Dean, Faculty of Science,
University of Sydney, Australia

Prof. Jeong-A Lee

CFP: International MultiConference of Engineers and Computer Scientists IMECS 2008

Professor of Department of Computer Engineering
Chosun University, South Korea
