- > *What crime do you think he wanted prosecuted?*

You are calm now, but you do tend to jump to a few conclusions – perhaps because this thread is somewhat off-topic. I suppose the responsibility for this could be attributed to me, as I did step in and defend James as a person somewhat.

[You will note, though, that I have been reluctant to join his campaigns. James is happy as a critic, and I am at heart not.]

- > *Replying to his threads.*

Do you have a URL to the thread? If so, thanks.
