How sad for you that you are a nobody, and patty is a respected community member, so your advice will be considered by its source, and laughed out of town.

> *ur an idiot.*

On the behavioral test, that would be you. This isn't a chat line, and "ur" is a word, but not one you've used correctly.

> *and cudiment isn't a word.*

Your opinion, as a nobody, with a worthless reputation, is rejected, you need to supply proof of your claim.

You intend to prove that claim then, exactly how?

xanthian.
