So, you're not a football fan either, then?

Didn't realize it was Super Sunday until Monday morning
when I got a "breaking headline" email from CNN saying
that some team won...

Luckily I was born in this country, can't be deported.

Obviously you are not one of the advertising fans either.

I was fast-forwarding the VCR this morning, looking at
beer ads.

They're on the web, but most of the sites seem to be too busy this morning.
