The good Christian should beware of mathematicians
and all those who make empty prophecies. The danger
already exists that the mathematicians have made a
covenant with the Devil to darken the spirit and to
confine man in the bonds of Hell.

— Saint Augustine

Hmmm, As I recall, it was in a high school math class that I had the
revelation that turned me to atheism. Realizing "god" was an
unprovable hypothesis was a great burden lifted from me. Unfortunately
for Augustine's theory, I ceased to believe in the devil at the same
time.
