Do you have the solutions manual and/or test bank for CCH Federal Taxation, Comprehensive Topics, by Smith, Harmelin, and Hasselback? I would prefer the 15th edition, 2007 version, but if you don't have that, I'd consider other editions.

Or, do you have the solutions manual and/or test bank for 2007 CCH Federal Taxation – Basic Principles?

If you don't have either of these, I would like to purchase a copy of the solutions manual for West Federal Taxation Comprehensive Topics which you have on your list.

Please respond ASAP. If you'd like, you can call me at 970-948-5491. Otherwise, please email me at lisa22@xxxxxxxxxxxxxxxxxx

Thanks,
