All appointments will be in terms of the prevailing University Employment Equity Policy and the Employment Equity Plan of the faculty/division (available at <http://www.ukzn.ac.za/ESU>). The University reserves the right not to make an appointment or to stop the process at any stage to headhunt or re-advertise the post to meet its equity goals. Candidates who do not meet the minimum criteria will not be considered.

FACULTY OF SCIENCE AND AGRICULTURE
(WESTVILLE CAMPUS)

PROFESSOR IN COMPUTER SCIENCE
(REFERENCE NO: SA15/2007)

The School of Computer Science offers a BSc in Computer Science and, in conjunction with our colleagues from Information Systems offers a BSc in Information Technology. The School also offers a Computer Science Honours programme which can lead to an MSc and a PhD by research. The School teaches a number of service modules within the College of Agriculture, Engineering and Science.

The School wishes to appoint a Professor in Computer Science who will provide leadership in the School's teaching and research activities.

MINIMUM REQUIREMENTS: PhD in Computer Science; Current substantial and sustained research record evidenced by publications in accredited peer-reviewed journals; Academic leadership in research including the successful supervision of postgraduate students at doctoral level; Experience in curriculum development and teaching at tertiary level.

ADVANTAGES: A record of securing research funding; A research record in an area of current interest to the school which include simulation; graphics; image processing; and artificial intelligence.

As part of the interviewing process, shortlisted candidates will be expected to present a lecture on a topic of their choice.

Vacancy: Professor in Computer Science, UKZN South Africa

Further information about the School can be found at the web-site <http://www.cs.ukzn.ac.za> or by directly contacting the Head of School, Professor H Murrell, e-mail: murrellh@xxxxxxxxxx, Tel: +27 (0)33 260 5646, Fax: +27(0)33 2605648.

The remuneration package offered includes benefits and will be dependent on the qualifications and/or experience of the successful applicant. The selection process will commence on 31 JULY 2007 and will continue until a suitable candidate is appointed or a decision is taken not to fill the post.

Applicants are required to submit a covering letter highlighting their experience in, and providing evidence for, eac
