Fear not. My latest new post regarding Tommy and swine was not in response to you, but how appropriate to cease this pointlessness while also responding to you positively.

Perhaps we could negotiate a truce between you and tommy?

to tommy1729:

How about, starting immediately, not insulting neilist? In fact, not even mentioning neilist's name, either directly or indirectly. Feel free to insult others, though — separate negotiations would be required for those (and separate fees).

to neilist:

The same as above, except, where it refers to "neilist", substitute "tommy1729".

Who? What? Where? I'm doing math, and only took a break to respond ;–)

Hey, I thought you implied that insults, even of others, was making me INSAIN! Get behind me, Satan. I'm busy doing my immature math.

As to Bassam, Fernando said to vie with him via math.

So back to doin' da matematiks.
