Updated list per August 20th, 2007

I have the current edition of these comprehensive solutions manual for the following textbooks in electronic format (PDF/Word). The solutions manual are comprehensive with answers to both even & odd problems in the text. The price is US\$35 for each.

There are two methods of payments. One is through PAYPAL (if you have a Paypal account) and another through PROPAY (if you don't have a Paypal and you only have a credit/debit card).

Email me at [sbooks4sale\[at\]hotmail\[dot\]com](mailto:sbooks4sale[at]hotmail[dot]com) if you are interested. If you could not find the book you are looking for, please let me know, I might be able to help. Thanks a lot

Hey,

I am looking for the solution manual for:

Discrete and Combinatorial Mathematics – Ralph P. Grimaldi (5th  
edition) (ISBN: 0201726343)

Please reply ASAP.

Thanks and regards

.
