Re: make money on the internet using paypal

Re: make money on the internet using paypal

There is no limit to the income you can generate from this (you can do it over and over).

If you follow the instructions, you will reach thousands of people!
HONESTY, FAITH, INTEGRITY ==> MAKES THIS SYSTEM WORK.

I think everyone has heard of PayPal. Anyone with an e-mail address can join for FREE! If you're not already a PayPal user, the first thing you need to do is sign up.

Sign up for PayPal here => <https://www.paypal.com>

It's real easy to set up and it's FREE!!!

Just make sure you have a Business or Premier account or you may be subjected to a monthly income limitation which may slow this program down.

Send \$5 to the first person on the list by using the PayPal 'Send Money' feature, and include in the e-mail: "Payment for Internet Marketing Made Simple".

This keeps the program legal.

Then send another \$5 to the 5th person on the list, with an e-mail that says: "Payment for Work at Home Opportunity".

Remove the 1st e-mail address and place your address at the bottom.

This moves the 2nd to 1st, 3rd to 2nd, 4th to 3rd and the 5th into 4th.

DO NOT TRY TO PLACE YOURSELF IN THE FIRST PLACE. IT WILL ONLY REACH THE PEOPLE YOU SEND IT TO, AND THEN YOUR NAME WILL BE REMOVED FROM THE LIST!

TO RECEIVE THE MAXIMUM CASH BENEFITS, simply do the way it was designed, and it will reach thousands by the time your name gets to the top.

REMEMBER TO SEND a \$5.00 Dollar payment to the 1st e-mail address and the message "PAYMENT FOR INTERNET MARKETING MADE SIMPLE",

Send a SIMILAR e-mail with the words "PAYMENT FOR WORK AT HOME OPPORTUNITY" for the other \$5.00 Dollars to the 5th person.

Re: make money on the internet using paypal

Re: make money on the internet using paypal

This will help the 5th person to keep track of progress of the letter and continue to send out more e-mails.

Here is the list:

1. ergosyst@xxxxxxxxxxxxx
2. francis3059@xxxxxxxxx
3. income2wealth@xxxxxxxxx
4. ergomktg@xxxxxxxxx
5. ozde@xxxxxxxxx

(Make sure it's the same e-mail address that you used to open your PayPal account. This is the way you will receive your payment)

Now that you have paid the 1st and the 5th person(via PayPal account)and sent them both an e-mail and placed your e-mail address in the 5th place, then what you need to do is post your letter. You can post on craigslist.com, backpage.com, message boards and newsgroups (there are thousands) and you can even send an e-mail to your e-mail list.

IT IS YOUR JOB AS THE 5TH PERSON ON THE LIST TO ENSURE THERE ARE AT LEAST 20 "PAYMENT FOR WORK AT HOME OPPORTUNITY" replies.

The fifth person is the guardian of the system = YOU !!

If there are not at least 20 replies then the 5th person will keep sending/posting the letter until there are.

MAKE SURE YOU SEND \$5 DOLLARS TO THE FIRST PERSON TO THANK THEM FOR WHEN THEY WERE THE GUARDIAN OF THE LETTER AND \$5 DOLLARS TO THE 5th PERSON SO MORE EMAILS CONTINUE TO GO OUT!!!

Now the fun happens. We reap what we sow. Other people will see your posting and do the exact same thing, bringing you lots and lots of dollars!! Seriously, it's common sense – you do it and 20 or more people see and do the exact same thing and EVERYONE WINS!!!

You will receive thanks AND THE SAME BLESSING. When your name is on the 1st slot, 8,000 to 15,000 people will send you \$5.00 dollars!

Keep in mind the most you spend is \$10 DOLLARS! = (WHAT GOES AROUND, COMES AROUND!)

Here's how it works:

When you send out your emails, your email address will initially be at

Re: make money on the internet using paypal

Re: make money on the internet using paypal

Number 5 in the list. That's the best position it can be in at this stage if you want to make serious money. The response-rate for this program is much higher than any typical email marketing campaign as already explained above. As long as you send your emails to people who are likely to be interested in this program, on average, you can expect a response from about 20% of the people you send to.

If you send out your email to 30 different people, you can expect at least 6 of those people to do exactly what you did ($20\% \text{ of } 30 = 6$). By this time, your email address will have moved up to Number 4 in the list, and this list will now have reached around 180 people (6×30).

Out of those 180 people, you can expect at least 36 of them to participate ($20\% \text{ of } 180 = 36$), so that's a further 1,080 emails (36×30) being sent out and your email address will have risen to Number 3 in the list.

Out of those 1,080 people, you can expect at least 216 of them to participate ($20\% \text{ of } 1,080 = 216$), so that's a further 6,480 emails (216×30) being sent out with you now at the Number 2 position.

Out of those 6,480 people, you can expect at least 1,296 of them to respond ($20\% \text{ of } 6,480 = 1,296$), so that's 38,800 emails ($1,296 \times 30$) being sent out with YOUR ADDRESS at the Number 1 spot!

Now, out of those 38,800 people, you can expect around 7,776 of them to respond ($20\% \text{ of } 38,800 = 7,776$). And since you will now be at NUMBER 1 in the list, you will receive: \$38,880 ($7,776 \times \5).

The above example is based on, 'Only 6 person who responded'. However when you have 10 persons or more who responded to the email sent by every participant in this 'Amazing Program' you can be sure that it will exceed the \$50,000 and much much more. yourself?)

So, when your name starts to hit the Number 1 position within the next few days, it will be YOUR turn to collect the money! As the program runs the course, this money will be sent to you by lots people just like yourself – who are willing to invest half an hour to receive around \$50,000 or more in cash! When following these instructions, the first payments should arrive within a few days, and they can continue at the rate of about 100 payments per day until it completes it's course. After that time, the volume of payments begins to taper off as your email address vacates the Number 1 position.

That's all you need to do! There can be up to \$50,000 in \$5 payments waiting for you in your PayPal account within the next few weeks.

Re: make money on the internet using paypal

Re: make money on the internet using paypal

\$50,000 for just 30 minutes work! This is real money that you can spend on anything you wish! Just deposit it to your own bank account or spend it directly from your PayPal account!!! It's just that easy!!!

I think it's WORTH IT, don't you?

Remember, the 20% example above is assuming that 24 out of the 30 people you send your email to will do absolutely nothing except delete your email. However, if you follow the plan correctly and send your emails only to people who are likely to want to participate, you can expect a much higher response-rate of around 30%. or more.

Additionally, the above example assumes that each participant will only send out 30 emails. Imagine what would happen if each participant sent out 100 or more emails instead of just 30! Believe me, many people will do this and much more!

Consider this! Millions of people surf the Internet every single day, all over the world! Plus there are 50,000 new people who get on the Internet every month! The people who send you offers by email can provide you with an excellent source of bulk email addresses to send to.

You can also send out emails to all of your family, friends, and to anyone who you think would want to invest \$10 and 30 minutes of their time to make a substantial lump sum within a month. If you want to operate this business continuously, you should consider obtaining bulk lists of email addresses from a reputable mailing list company.

TESTIMONIALS:

Mary Gathers, Columbus, SC:

I only have one thing to say to you: OH MY GOD! I sent out 142 copies total before 20 replied, like the instructions said. Then I went on a short vacation. When I got back, my account had over \$ 32,000 dollars in it already and the money was still coming! I'm still floating in air

(especially with my new car). I thought the guardian system sounded cheesy, but now I realize it is the FORMULA that makes this letter really works! THANKS!

Richard Barrie, Boulder, CO:

I was shocked when I saw how much money came flooding into my PayPal account. Within 3 weeks my account balance has ballooned to \$22,449. Atfirst I thought there had been some sort of error with my account!

HERE ARE THE STEP-BY-STEP DIRECTIONS AGAIN:

Re: make money on the internet using paypal

Re: make money on the internet using paypal

FOLLOW THESE DIRECTIONS (BELOW) FOR SENDING YOUR \$5 BY PayPal TO THE 1st AND 5th PERSON AT THE LIST OF FIVE EMAILS

(1) Login to YOUR PayPal account and click on the 'Send Money' tab;

(2) In the 'Recipient's Email' field, enter the 1st email address from the top of the list of 5 emails.

(3) In the 'Amount' field, enter \$5 (this is your 1st, \$5 payment).

(4) In the 'Type' field, select "Service" (though it doesn't really matter what you put here, this is for PayPal's own records.

(5) Repeat the whole process again(Step 1 – 4) and make the 2nd payment of \$5 to the 5th person in the email list.

(6) Remove the top name, bump the other 4 names up one place each. Place your name in the bottom slot and you will receive a minimum of \$100.00 for your efforts.

(7) Keep sending/posting the letter until you receive 20 "Payment for Work at Home Opportunity" replies in your mailbox.

That's it, It's that simple!

Please give it an honest effort, you will not be disappointed and will be very glad you did when it starts to work. Remember, all you are going to be out of pocket is about the cost of a couple of coffees with the opportunity of banking thousands of dollars into your PayPal account! Take the smallest risk of your life!!!!

The Guardian system is based on Honest people helping each other out.

This Program is completely legal if you follow step by step directions.

It has the same concept of building a downline except more profitable and affordable.

SO, IF YOU WANT TO START EARNING YOUR MONEY QUICKLY, THEN

PROMOTE! PROMOTE! PROMOTE!
