I think it is a problem with your web browser.

I don't read the newsgroup through a browser. That's part of the problem. Not everyone reads the newsgroup through a browser, or through (bleach) MathForum.

Perhaps upgrade to the latest version of IE or Firefox?

I -->am<-- using the latest version of Firefox, son. Thank you for your "tip".

USENET: A forever cryptic computer mystery for some, endless fun for others :-)
