What is a Test Bank?

A Test Bank is a collection of all the questions and answers that your instructor uses when making an exam. The questions are broken down chapter by chapter and give you the answer so you can study independently or ace the upcoming exam!

What is a Solutions Manual?

A Solutions Manual contains all the answers to the questions in the book with detailed explanations and examples.

What is an Instructor's Manual?

An Instructor's Manual is the guide that your teacher may use when making lesson plans and contain extra questions and answers, lab assignments, and more.

How do you distribute your files?

The Test Banks and Solution Manuals come in soft copy format, which means they are electronic files such as .pdf or .doc for easy usage.
