It remains painful to watch you judge yourself and then try to escape judgment.

In truth, my use of the word "covet" to describe your sin was not a neologism.

You will remain in my prayers, dear Bob, whom I love, in Christ's name.

May you accept Him as your personal Lord and Savior, someday, so that you too will have eternal life and the limitlessly interesting riches of His everlasting kingdom.

Here's how:

Please note that God truly made this special link describing that He is the great "I am" and that His message is as simple as the number 2 which is a number between 1 to 9 and reminds us of His 2 commandments, the 2 arms of the cross, the 2nd part of the Trinity, the 2 finger sign of the Prince of Peace [who remains \*V\*ictorious over death and satan], and the 2PD Approach. Let it not ever be written that Christ did not make His presence known here on Usenet :-)

Also, note that Exodus 16:16 continues to remind us that 16 oz plus 16 oz makes 2 pounds, which is "a certain measure of weight," which is what "omer" literally means in Hebrew.

Enter the 2PD-OMER Approach:

At His service,
