Siva and Vishnu comes to mind. Destroyer and preserver. Don't forget Brahma the creator.
Not so different just attempts by people to make sense of this here world.

We kill each other on this differences.

Vishnu \Vish"nu\ (v[i^]sh"n[=oo]), n. [Skr. Vish[.n]u, from vish to pervade., to extend through nature.] (Hindu Myth.)
A divinity of the modern Hindu trimurti, or trinity. He is regarded as the preserver, while Brahma is the creator, and Siva the destroyer of the creation.
[1913 Webster]
