Fwiw, I have not ever been a hospital employee.

Where you a volunteer when you were a resident?

An indentured servant of Emory University.

So you were an employee of the university. A lot of residents are. Often, residents are employees of whatever available entity has the lowest fees associated with grants.

Truth is simple.

May GOD continue to heal our hearts with HIS living water curing our diabetes, depression, anxiety and panic so that we can love our neighbors a little more and LORD Jesus Christ a lot more, dear neighbor Jeff whom I love unconditionally.

Prayerfully in Christ's amazing love,

As for knowing who are the very elect, these you will know by the unconditional love they have for everyone including their enemies (Matthew 5:44–45, 1 Corinthians 13:3, James 2:14–17).
