* interested.

! FBI Director Louis J. Freeh, Senate Judiciary Committee, June 4, 1997

!

! NOT THAT LONG AGO, NO ONE PERCEIVED THAT TELEPHONE SYSTEMS COULD BECOME
! UNTAPPABLE, THE NECESSITY FOR STRONG PARTNERSHIPS BETWEEN LOCAL, STATE,
! FEDERAL AND INTERNATIONAL LAW ENFORCEMENT IS MORE URGENT.

*

* "As a means of espionage, writs of assistance and general warrants
* are but puny instruments of tyranny and oppression when compared
* with wiretapping." ---Mr. Justice Brandeis, 277 U.S. 438 (6/4/1928)

*

*

* European Union and FBI launch a global surveillance system

* -----

*

* The EU, in cooperation of the FBI of the USA, is launching a system of
* global surveillance of communications to combat "serious crime" and to
* protect "national security".

*

* But to do this they are creating a system which can monitor everyone
* and everything.

*

* At the first meeting of the new Council of Justice and Home Affairs
* Ministers in Br
