:
: "When we speak out", she said, "that's our protection."
:
: She still believes in America.

Network. "Creep" back at the bastards who are destroying America!

Be persistent.

It is almost too late.

---guy@xxxxxxxx

It must always be remembered that crime statistics are highly inflammatory---an explosive fuel that powers the nation's debate over a large number of important social issues---and that FBI Director Louis Freeh today is the leading official shoveling the fuel into the blazing firebox.

---David Burnham

Indeed, the Scary Man has been whispering Nightmare Stories in the ear of President Clinton to control him...

- * "Threat to Disneyland, Mentioned by Clinton, Is Termed a Hoax."
- * By Stephen Labaton, The New York Times, April 23, 1995
- *
- * Responding to a question about whether Washington should review its
- * readiness to combat domestic terrorism [the first arrest in the OKC
- * bombing had just been made], the President sought to reassure the
- * public that the Government was already making great efforts to do so.
- *
- * Groping for a specific illustration, he appeared to think twice about
- * describing the incident, but then went ahead.
- *

Re: hmmm

- * There's been a lot of activity that the public does not see, most of
- * which I should not comment on, but let me give you one specific example,"
- * he said.
- *
- * "There wa
