Indeed, make a claim it is written in all books, then killfile, before the question is asked, WHAT books?? Where? Do post it.

It's a very good policy, it spells lies and denial.

A truth's initial commotion is directly proportional to how deeply the lie was believed. When a well-packaged web of lies has been sold gradually to the masses over generations, the truth will seem utterly preposterous and its speaker, a raving lunatic. –Dresden James
