Uh huh, last week you replied directly to my post.

Hmmmm.

>*Your reply is wholly unreasonable, which is sadly consistent with your MO. As

Poison.

It's all spelled out for you, perhaps this picture of one who was poisoned by amalgam, goes in your;

I–don't–want–to–be–informed– attitude.

WHY do you suppose that phrase was fromed by a <GASP> D E N T I S T?????

Read and get informed:

<http://www.toxicteeth.net>

Using diversions, is nothing more than your EGO.

sci.med.dentistry: Re: DANGER – Dentists are using this chemical in your mouth!! OMG Jan Drew was right!

Jan

<snip long list of diversions, we are talking about amalgams>
