the 5th element has to do with the fact that when we were young, so much younger, every 5th child born in the world was chinese, and at one time there were some folks around here who thought that because my name then was Bruce Chang that I was surely chinese. The reality is i'm not chinese or hawaiian, but i was born in hawaii when it was still territory and not a state.. but i wasn't Bruce Chang then either, and i'm not really Bruce C
