Oh my, the story changes when you get caught.

Now let's look at what you said:

I deal with what I find. My search resulted in the same addresses as MarkT's

Excuse me all to pieces, it was July 31, not 13, 2004

of either year. I did find lists of churches in the vicinity

Yes, wasn't that sweet.

and several day care centers,

In Indianapolis,,,,,,,,,,,,,LOLOLOL.

Please do note *I* an the one called the busy body.

but none on that date.

See above, and you said you cover all of July.

Like I have always maintained, posting personal information, regardless of whether it is home or work, is wrong. I do not support it.

Sure Mark sure, wonder why you were silent when your *gang* members did it??

Why were yu silent when Coleah did it?? Why were you silent when she did the despicable act of posting innocent names, adress and phone numbers of what she falsely thought were my neighbors??

And don't even try to tell me you didn't see it as you posted on the VERY SAME DAY!!!!

*My error, sorry)

YOU then first mentioned the *Longview* on May 15th. Since then you have mentioned it numerous times. Now, you know you are wrong.

Excuse me again, it was May 23rd.

I accept in and FYI, I have been walking (fully clothed) one and one quarter miles at Menards at least three times a week, since my surgery, which resulted in my losing 20 pounds. YEA!!

I really do not care what you think.

And ditto to you Mark, I have NO respect for REPEATED LIARS.

As is my pactice. I provide proof, unlike you.

Included in that is this:

Poor, stupid Jan, who is a lying sack of shit.

YOU are so dishonest it astounds me. YOU know, since you snipped it, that I was replying to you blatant bigotry, anti-semitism, and hate. Your bitch friend, your symbiotic parasitic enabler's websites are laughable, since any normal person (that leaves YOU out) would know that it is she who has the major illness. SHE has lists of enemies, ala Joe McCarthy. SHE is a sick person, and, you being a sick person, support her. BOTH of you should get help. I suggest a cephalotomy.

You are so stupid and blinded by hate, it is pointless to point out your errors.

You would not know the truth if I stuck it up your ass with a 8 foot 2X4.

Wrong. When a person, such as yourself, DEMONstrates persistent incurable hatred, being kind to them is a waste of time.

===

Fuck off and die, bitch.

Jan HATES Jesus. That is the only logical conclusion.

I would love to know who her pastor is, so I could mail him her posts. I hope that he will be able to get her the help she so desperately needs.

===

I do not deny for a moment that I belittle you. It is well deserved, and, frankly, I have been kind and gentle, compared to what I could do.

===

Fuck off and die, bitch.

I wote:

And he wants to send *my* posts to my pastor.

Pathetic.
