What's in it (acc. to the website):

Perfect Prescription Tooth Soap™ Ingredients are: Specially formulated soap made from saponified coconut, palm, and olive oils and essential oil. NO added glycerin, sweeteners, silicates (sand), fluoride, dyes, stabilizers or other materials that can damage teeth. No animal testing. 100% Kid and Mom tested and approved by both. Certified Kosher (Parve) by Star-K.

Didn't bother checking the price after reading through the ingredients.
