| Joel,
|
| The " Ultra Suction " claims that you won't need so much palate
| covered.
| Last Oral Surgeon consult said they all were so dedeased they had to
| come out ? Bottom too.
| Have X-Ray. Still confused about how to take digital pic of it for
| posting. Widow seems to show so many trees and such in the background.
| Can't remember what my problem was with flourescent lights.
