Did I miss Halloween again this year? Anyone ever notice it is 6 months away from April Fools?

| Okay... it's time to ask the question. How many of you are wearing your
| Halloween Costumes and posting ... pretending to be someone you
| aren't??? This is one of the times during the year when it's generally
| expected and therefore acceptable to pretend to be someone/something
| else while posting here for the next few days ...
|
| Who wants to confess?
