SabraTW:

There's things goin' on here that I don't get (as usual....).

I do get that it is really not a good idea for Sue or anyone else to take what has been said here and paraphrase out of context into another forum, especially when those others could lift a finger and come on over here and ask their questions. There are copyright issues, libel issues, personal responsibility issues and others at play when this happens.

ButtttttTTTTTTTTttttttttTTTTTTTTTTTTttttttttt....

For those of us who don't have much of a clue as to what is going on here, can you explain in easy words that a mediocre dentist can understand?

(Maybe it's just me that is as thick as the board the iBook is sitting on...)

Thanks

PS: this is not an obligation, just a request.

Merci
