I don't understand it either, then she sent me one about her *sons* wish to visit oz and take along some plaster for a cast. That was when I asked her to not contact me at all and I filtered her email. The stationery had ivy vines clinging to the email, much like her own personality.

We will never know yaknow, it is useless to even attempt to understand that ones reasoning.
member when she claimed that she had a *free based* relationship, (her terms for open relationship) and then she whined that *I* was responsible for some problems between her and Vic?
