ROFLMAO

Why would I be scared of Asians? I was married to one for ten years. Mr Bush didn't manage to fill my head with imaginary fears, you klutz. Nobody is out to get me. There are no bogeymen hiding under the bed; no fairies at the bottom of the garden; no Santa Clauses, and no flying saucers, coming to get me either.

Now tell me, did you suffer these imaginary fears all your life long, or were they induced at a later date?
