Who the heck are you? I've already answered the stupid email questions. They're ALL A Weisman I'm not trying to hide just switched mail since now yahoo offers expanded capacity.

Now what is with the antisteere coalation lisa impersonator (who would pretend to be lisa of all sick and pathetic people? that is the real question).

Still hasn't posted from lisa's address but now is on about the tenth new address (lymeraja now?) Gimme a break and that is who you're defending?
