I always settled before a suit.

One settlements afforded me a 6-month holiday in a sunny country?

?? Never done so.

By you, a week ago. Action is taken.

I have been arrested numerous times in war-torn countries.

Often just for speaking a foreign language.

Once I was arrested when I came back over a land border, having smuggled 3 DDR citizens out.

Twice I was arrested because there exists a dangerous drugs smuggler with the exact same name except the middle initial.

I have never made a threat to Allen Steere. I said he will get fired.

Never ever done that.
I called YOU a cunt, cunt.

> *Tell us about your anti semitism.*

You don't even know the meaning of the word, cunt.
Antisemitism means "hating arabs and jews".

> *Tell us more about your admiration for terrorists.*

What exactly do you want to know?

> *Tell us about how you admire the terrorists who shot children in the

Show me where I said that, or expect a lot more trouble ahead.
I don't know how to put it to you so that you understand, but you might get
into trouble for this kind of bullshit.

I want to point out that you said here: "The Chechens are cowards and their
Allah is bullshit".

People with names ending in "man" are usually jewish. Are you a ZioNazi
Chechen-hater?

You have been relishing the whole thing, haven't you? Several times you have
been commenting on that Beslan thing, like you like the fact that the
Chechens have more trouble now.

The Chechens have even sent, out of their poverty, tens of thousands of USD
to the victims.

So what exactly is it that you have against Chechens, hm?

And what is it that you have against the parents of the killed kids, that
you make their suffering worse like this?

You keep on blabbering about Beslan, Beslan, nobody ever talked about Beslan
but you, what is it EXACTLY that YOU have with Beslan? Are you badmouthing
the Chechens or are you trying to fuck up the parents of those kids even
MORE than they are already?

I wonder WHO you are, "Weisman". If you are indeed a Jew and you are here
badmouthing the Chechens, you would not want to get your name & address
plastered all over the internet.

Neither if you are trying to make the parents of the kids of Beslan suffer
even more by accusing people of "admiration" for the terrorists of Beslan.
Those people were scum. And Google will have more and more reason to hand me
your ISP's data. You better start packing.

sci.med.diseases.lyme: Re: How to take action against anti-Lyme terrorists, developing story

I think Saddam Hussein is an asshole.

I think Osama bin Laden is quite a cool guy.

I hate the United States.

And I am going to let you be severely punished for your lies, slander, libel, accusation and threats.

And I will show people here how to deal with scum like you.

> *Tell us about your invention of an efficient mercury gun for mass*

The US military does the same. I am a scientist.

> *Tell us all about the many death threats and other threats of violence*
> *against specific individuals here on this newsgroup. About your*
> *threats of terrorist acts and mass murder.*

Never ever did that. Show the proof, fool.

You will get into *real* trouble, punk.

Just have a little patience and take your pills.
