d'oh! i should have read your statements...

"Yes with the standard treatment as they always have been. However those who don't succeed on the standard Steere Yale treatment course are still as f%^ED as ever. Probably worse."

... in context before i elaborated! aren't i the dick for calling you pompous at the end of my message. my own mirror is laughing at me in irony. sincerest apologies, but think you picked up on that. definitely clarified now, and happy holidays, new year, etc to you too.

late, and going to bed, so i will i re-read, digest your comments and reply tommorow...
