frank, you realize that this woman has been evaluated by numerous physicians who are court appointed? She has no brain, she has no consciousness, she has no thought, she has no fear, she has nothing upstairs but a residual nub of a brainstem. I hope they do end up bringing her to congress. That would be the most ridiculous thing of all time.

"OK, meat blob, do you swear to tell the whole truth and nothing but the truth so help you god?"

"Wuhmmmm blaallaaaaai skdnaaaaaaap BRUBII; PLLLLLLLLLLLLLLLLFPLPL"

"uH, Senator Johnson, we need to change meat blob's diaper before she goes on"

"blbobloo boblbonon kjhoiufhof" (piss sprays everywhere)

etc. etc.
