Well, duh, yes...we noticed. Calling yourself a "Tincup" and saying you are from "the moon" doesn't exactly suggest complete emotional maturity or stability...while possessing a sort of playground skiprope sense of humor that allows you to call people "ducks" and "trolls". Psycholggically speaking, is the tincup half full or half empty?

Thank you, berry mush.

You mean...don't do as I do? What STATE are YOU in? Besides the state of utter helplessness and total confusion?

OH BULLSHIT!!! That is repulsive...gagingly nausaetingly stupid. 'Hoo-bleeping ray for all you'...hon, that ain't the way things happen. Stop abusing people with this BULLSHIT. AND STOP talking DOWN to people. It's INSULTING.

By any chance...could any of these problems possibly be related to...WE HAVE NO FUCKING IDEA WHAT WE ARE DOING?

GASP!!! Horrors! How could this have happened? Wicked witches casting spells? Dwarves? TROLLS? Oh, woe.

Wouldn't it be better if you had some idea? Hey, do you have any kids? Maybe you could sneak a peek at one of their civics texts.

You MEAN they can AMEND bills in there? Now...WHO would have GUESSED THAT? That is surprising, isn't it?

"I am shocked...SHOCKED...to find out that bills are being amended in here"!

Using the same crystal ball that you used to foresee that this bill was

going to be really, really good? Hey...we should get hold of whoever's lame idea this was, then, and give them whatfer...doncha think? Tar and feathers...run em outta town on a pole.

Sonuvagun. Betcha no one saw that one coming, either. Damn.

"Dog and pony" is the phrase, Sister Moonbeamcup, and that, plus a nice pat on the head is what your beloved testimonial hearings are all about...called "make nice with the voters".

Oh, Lord. REPLACED with a monster? Is it too late for a priest...an exorcism? Hit the switch, Igor.

Yeah, well, I can't help but notice that it now seems that what you are
saying is that we are all worse than nowhere...

...and we have you largely to thank for it.
