This is true. I read about a lot of stuff here, before it happened.

That was how my aunt and uncle drove up to sign over power of attorney in the middle of the night, from NEW JERSEY.

Thankfully, the advance warning was posted here.

That was the "Lake Driver" false allegation.

That next day, we heard about how I was "dangerously intelligent."

LOL.

The way Lisa tells it, happens to be 100% true.
