Now...you say to yourself...this sick SOB is obsessed to know and remember all these details...no, not really...see, Kathleen posted all this private intimate stuff daily for months, even years. SHE is the one making it all about Kathleen...and it is really ABSURD for anyone to think it is not fair to comment when she sprays it all over the internet herself.
>>>

followed by this:

And you KNOW this, because...? What? She says so? Gee, didn't the COURT award custody to her ex?>>>

ok, so on the one hand, information which kathleen has posted is the source of your profound obsession, but on the other hand, the information is invalid??? why have you made it such a personal focus to determine which postings of a single private citizen on the internet are "true" and which ones are not? why is this so important to you? huh? in other words, what exactly is it that kathleen is saying that scares you so much that you, in all of your arrogance and brilliance, feel like you must spend so much time refuting?

let me ask you this question: why do you even give a shit about kathleen? as far as I can tell, you and your counter-entity wiesman are the only ones who are obsessed with kathleen. and, dritemann, your various manifestations are affiliated with the ALDF. also, you mention kathleen elevating her personal problems to "major political" status. how exactly is this achieved and defined? I wasn't aware that kathleen's personal problems had become a major political issue. for whom, exactly? has president bush been notified?

you speak so much of the truth, why don't you just tell us yourself? what are the truths you are searching for? because I think that you don't have the first goddamn clue what the word "truth" means.

christ...as far as the verbal abuse goes, one only has to perform a history search to see that on numerous occasions you have taunted and

mocked, using very obscene and puerile language, an autistic woman who suffers from a chronic brain infection. great work! who's your next target? maybe a wheelchair bound cerebral palsy patient? a little girl with muscular dystrophy?
