Now I feel like you're picking on me. Have you complained about anyone else posting things that are off topic?

Isn't everyone sure that this girl had Lyme? And now the media is doing a RICO conspiracy to get her because they got burned?

See it is on topic.

Money for treatment.

Of course there may be other explanations for these occurrences and this is in no way an absolute means of knowing if you are an abductee. If you or someone you know does fit many of these traits listed here, PLEASE seek the help of a qualified researcher or therapist. This list
