Actually we are supposed to pray for you *not* to rot in hell.

Notion brought forth at Fatima. Want to see HELL again?

"Our Lady showed us a great sea of fire which seemed to be under the earth.

Plunged in this fire were demons and souls in human form, like transparent burning embers, all blackened or burnished bronze, floating about in the conflagration, now raised into the air by the flames that issued from within themselves together with great clouds of smoke, now falling back on every side like sparks in a huge fire, without weight or equilibrium, and *** amid shrieks and groans of pain and despair,*** which horrified us and made us tremble with fear.

The demons could be distinguished by their terrifying and repulsive likeness to frightful and unknown animals, all black and transparent.

This vision lasted but an instant. How can we ever be grateful enough to our kind heavenly Mother, who had already prepared us by promising, in the first Apparition, to take us to heaven. Otherwise, I think we would have died of fear and terror.

We then looked up at Our Lady, who said to us so kindly and so sadly:

Re: Der Dritte Mann What is His Story?

"You have seen hell where the souls of poor sinners go."

As described by Lucia Dos Santos

I don't find it any wonder God gave us His Son as a sacrifice, because His Son later said those who make it will be few, and the criteria is to help other people, *especially* when they ask, and obviously never harm anyone.

They tortured the Guy to death, yet which country is now internationally famous for torture.

We'll all find out how PO'd He will be. And it's a one-way ticket.

You can't deny you are an irritating influence. You, haven't done *anything* positive for the Lyme community. In fact, the reverse is true. One can conclude you clearly approve of harm. Slaves to the *things* of the earth have no wisdom. Choose what will become fouled and that's what you will get.
