Do you think Fascists give a Flying Fart about Lyme-diseased people?
There are Fascists in this newsgroup.
Fascists care about finding a cure for Lyme?
Fascists care about discovering a Wasserman-type diagnosis for Lyme?
Fascists care about assisting Lyme-diseased people in any way?
Hardly!
Now that many Lymies are down, weakened and disabled,
with a lot more victims to come... the NeoFascists, like their Nazi kin
are thinking of a good (effective) EUTHANASIA program.

AN

(unless something dramatic happens to alter the present course
of events – like a New American Revolution or Divine Intervention,
or something like that, there is not a lot of reason for optimism.
Sorry to bum you out, but this is the Reality Show we live in)
